## 5.0 Process for Presenters

The presenting person can choose from the following types of presentation

- Sharing of case studies
- Sharing of policies
- Sharing of QI resources e.g. QIP templates, audit tools
- Sharing of service development initiatives
- Sharing of education and research
- Journal club articles

The process for presenting is as follows:

- AllHPC to circulate the calendar of presenting organisations to all
- AllHPC to email all members of the COP from the presenting organisation asking for nominations of speakers from within their team
- Members to liaise with their colleagues from within their own organisation and select who will be present at the session they are responsible for
- Members to inform AllHPC of the name(s) of their presenting team member(s) (if appropriate) and the title of the presentation **3 weeks prior** to the presentation
- If no name is received from an organisation, AllHPC to notify the Chairs with 2 weeks' notice
- If the topic of the presentation is a journal article, email the AllHCP the journal **at least 2 weeks prior** to the presentation for dissemination (if circulation is allowed under copyright)
- Aim to keep the presentation to approx. 15 – 20 mins to allow for discussion
- Consider having some questions prepared to prompt the discussion

If you have any questions regarding your presentation, please contact one of the chairs for advice.

## 5.1 External Contributors

- The COP welcomes input from external expert contributors. Suggestions for external contributors can be brought forward at the end of the monthly meeting or by emailing the chairs.
- A decision to invite an external contributor will be made by consensus from the group.
- Either the chairs **or** the member who suggested the external contributor will make the formal invitation to present.

The chairs or the COP member will liaise with the AllHCP and external speaker to schedule a suitable date.

## 6.0 Recording

Presentations, including questions asked and discussions that take place **during** presentation segments, may be recorded. This is so that people who cannot attend will be able to benefit at another time by viewing the materials in the Specialist Palliative Care Physiotherapy area on the

Palliative Hub - Learning Platform. Question and answer sessions, and discussions that take place **after** the presentations have ended, will also be recorded as agreed with members Jan 2024.

Filming is regarded as 'personal data' under the Data Protection Act 2018 General Data Protection Regulations (GDPR), under that law members should be aware that:

- This Data will be stored with password protection on the Specialist Palliative Care Physiotherapy area on the Palliative Hub - Learning Platform
- This Data will be available for as long as this COP continues to meet and will then be taken down from the Learning Platform and deleted

Members' ongoing participation in the Specialist Palliative Care Physiotherapy COP meetings is assumed to imply their agreement to the use of their data in this way. If members are not willing for their data to be used in this way, they should not join meetings during recorded segments, or should leave meetings before recorded segments. Recorded segments will be preceded by a recording alert.

Presenters will be able to request that their presentations are not recorded, for example, due to sensitive information being presented

#### **7.0 Frequency of Meetings**

The COP will meet on a monthly basis.

#### **8.0 Review of Terms of Reference**

The Terms of Reference should be reviewed on an annual basis (Interim review to reflect Co-chairs names and email addresses and Recording Agreement Jan 2024. Full review date May 2024)
