PALLIATIVE CARE

It's Not What You Think

Palliative Care is...

Compassionate Community Cafe

Theme: 'The Heart of Living and Dying Well'

Where: St Ita's Room, Malahide Parish Centre, Malahide, Co Dublin

Date: Saturday 12th September from 11.30am to 1.00pm

A facilitated conversation set out in a cafe style. The aim of this one off session is to listen, share and talk together about making our wishes known for our future care.

It is very important that we all have loving conversations within our families, about our wishes for our care in the future. This includes our emotional, spiritual and physical needs and this can also give us and our families peace of mind.

Facilitated by Luke Conlon (Hospital and Hospice Chaplain)
